QUARTZ Program

Two options then for funding. The fastest way is, for one of your sponsors or yourself, to be able to donate 2000 euros to the Ultra Sports Sciences Foundation which funds the QUARTZ Elite Program (between 60 and 100% of this sum may be tax exempt depending on the country). Otherwise our Association will try to find the funding for you, but this solution is more random and much less fast.

Finally, once the funding is obtained and before the payment, we will ask you to send some information (previous medical monitoring, results of the Athlete Biological Passport or access to your ADAMS account if existing ... etc.) Then your profile will be studied by our Experts from QUARTZ commission. If all results are normal you can integrate the QUARTZ Elite 2020 Program.

Now, it's your turn to play !
